CITY MANAGER MEMORANDUM

To: Michael D. Beedie, City Manager
From: Michael Beedie, City Manager
Date: September 6, 2017
Subject: 2017-13 FY 2017-18 Tentative Millage Rate

1. **BACKGROUND:**

- 1.1. Chapter 200 “Determination of Millage” of the Florida Statutes sets a statutory timetable for the calculation and notification to the public of the process to set ad valorem tax millage rates and adopt a budget.
- 1.2. The City shall, between 65 - 80 days from when the Property Appraiser certifies the value of real property in the City of Fort Walton Beach (July 1st or actual date, whichever is later), hold a public hearing on the tentative millage and budget. The City’s property value was certified on July 1, 2017, and therefore the public hearing must be held during September 3rd – 23rd.

2. **DISCUSSION:**

- 2.1. The 2017 gross taxable property value for operating purposes is \$1,278,051,727, an increase of \$53,631,634, or 4.38%, from the 2017 final gross taxable property value of \$1,224,420,093.
- 2.2. Per Section 200.065(1) of the Florida Statutes, the rolled-back millage rate is defined as the millage rate that would produce the same amount of ad valorem tax revenue as was levied during the prior year - exclusive of CRA dedicated increment value, new construction, deletions, and boundary changes. The rolled-back rate is 5.5656 mills.
- 2.3. Per Section 200.065(5) of the Florida Statutes, the maximum millage rate that may be levied is determined by the number of affirmative votes of the members of the governing body.
- 2.4. Per Section 200.065(6) of the Florida Statutes, municipalities may administratively adjust the adopted millage rate without a public hearing if the final taxable value varies by more than one percent (1%) from the preliminary taxable value. The taxes computed by applying the adjusted rate to the final taxable value must equal the taxes computed by applying the adopted rate to the preliminary taxable value. The City’s variance does not typically exceed one percent.

3. **RECOMMENDATION:**

- 3.1. Staff respectfully recommends City Council adoption of Resolution 2017-13 to adopt the tentative millage rate for the fiscal year of October 1, 2017 through September 30, 2018. As the Department of Revenue requires specific language and procedures, a script for the Mayor to follow is attached.

RESOLUTION 2017-13

- 3.2. Staff respectfully recommends City Council authorization for the City Manager to administratively adjust the adopted millage rate without a public hearing if the final taxable value varies by more than one percent from the preliminary taxable value, *provided that the total taxes generated remains unchanged*. Staff does not anticipate this being necessary.
